Dear SCV Camp 1708:

Thank you for your donation of \$25.00 to the Augusta Canal National Heritage Area, Inc. in support of our preservation and interpretation of the Confederate Powder Works site.

We will apply your donation toward the cost of the Powder Works Interpretive Plaza. The plaza includes six large, illustrated interpretive panels, lighting for the Powder Works chimney memorial and attractive landscaping. Installation begins this summer.

Our website policy does not allow us to provide a link to your website. Nevertheless, we are grateful for your contribution and wish you well in your efforts to honor the history of the Confederate States of America and those who fought for her.

Sincerely,

Rebecca Rogers  
Marketing and External Affairs Director  
Augusta Canal National Heritage Area
