Dear *Lynn*,

Thank you for your generous donation on behalf of the Sons of Confederate Veterans, Captain Granville Henderson Oury Camp 1708 to the Journey Through Hallowed Ground Partnership's Living Legacy Tree Planting Project. I am pleased to acknowledge that this \$400 donation has been received to plant trees along the Journey Through Hallowed Ground National Scenic Byway to honor the lives of:

Private N.B. Butler, CO. I, 50th Georgia
Corporal Alfred Eason, CO. E, 33rd North Carolina
Private Andrew Jackson, CO. G, 5th Texas
Private William T. Watts, CO. G, 4th Virginia.

Your donation is fully tax deductible.

The Journey Through Hallowed Ground Living Legacy Tree Planting Project is a bold new initiative that commemorates the 150th anniversary of the American Civil War. Through this initiative, we intend to plant and designate one tree for each of the 620,000 soldiers who died during one of the most defining moments in our American history. With your help, and the support of others, we are working to create the first 180-mile landscaped allée in the world and the only allée dedicated to memorializing the American Civil War. A Tree Planting Ceremony for Phase One was this past November with 3,312 trees being planted from Oatlands Historic House and Gardens to Gilbert's Corner, Virginia.

I want to thank Camp 1708, Sons of Confederate Veterans, again, for giving to this initiative. We could not be more grateful.

Sincerely,

dt
Cate Magennis Wyatt
President

Thank You!
