Dear Ms. Crawford:

I wanted to thank you for facilitating the generous donation of \$50 to the general donation account of Manassas National Battlefield Park. These funds assist the park in providing additional informational materials to the public, aid in the maintenance and restoration of our many historic resources and help support volunteer efforts.

The National Park Service has been entrusted with the task of preserving so many national treasures and places significant to the American people. The battlefields around Manassas are certainly deserving of this preservation, remembrance and reverence. The soldiers of both Union and Confederate forces have forever left their mark on this place and, in doing so, have challenged future generations to never forget their sacrifice.

We recognize that this donation came through the organization's web site, [www.OurConfederateHeros.org](http://www.OurConfederateHeros.org). Thank you again for facilitating this donation and for what your organization does to share the stories of those who served and fought in the Civil War.

Sincerely,

Ed W Clark  
Superintendent
